To all National Aero Clubs of Europe

Dear Friends,

We would kindly like to invite all glider pilots from Europe to participate in Ostrów Glide - one of the biggest Polish regional contests, which will take place in Ostrów Wielkopolski, Poland from 20.07 to 29.07.2012. It's a great opportunity for training before the 17th FAI European Gliding Championships in 2013, which will also take place at our airfield.

The on-line registration has started. The procedure is different for individual pilots and for NAC. Please note, that pilots entries sent by European NAC have priority in registration. Each European NAC can enter 2 pilots in each class. Please note that registration ends on 31.03.12.

Please check out our Bulletin no 1 (included) and visit our website <http://www.pre.egc2013.eu>

We hope to see you soon!

In case of any questions please contact our office: info@egc2013.eu

Best regards,
Maciej Całka
Competition Director
